Hi Louise,

Thank you for your submission we'd be delighted to show you work at Filiart.

I am putting together an online catalogue of works in the show. Please can you send me via email (NOT curatorspace) a good quality image of your work, A short bio (50ish words) and, if you like, a link to your website.

I'll be in touch again soon to arrange delivery of work.

Best wishes,

Alison
