Dear Gareth

Thank you for your application for a TCES travel bursary.

The TCES committee has discussed your application and I am delighted to inform you that you have been awarded a £300 bursary to support your attendance and presentation at TERMIS World Congress in September 2018.

This award is on condition that you acknowledge TCES in your presentation.

On behalf of the TCES committee I would like to take this opportunity to congratulate you on your research and thank you for your continued involvement with TCES. We would also encourage you to submit your work to be considered for presentation at the TCES annual conference.

Yours sincerely,

Dr James B. Phillips
