Dear Paul,

Early Career Research Excellence Awards 2020

I would like to congratulate you on winning the Early Career Research Excellence Faculty Award.

A Distinguished Awards Panel met on 28 October, to consider the 2020 Faculty Winners who were put forward for consideration for the overall Champion Award in the Early Career Research Excellence Awards 2020 category.

The Panel conducted a thorough evaluation exercise around the essential criteria, and I regret to inform you that, on this occasion, your nomination for Champion has been unsuccessful.

I would like to give you my strong encouragement to continue your excellent research work, and to provide you with the opportunity to get some feedback on your application, I've asked Professor Paul Humphreys to contact you to arrange a suitable time to meet up.

Yours sincerely

Professor Cathy Gormley-Heenan
Deputy Vice-Chancellor (Research & External Affairs)
