

Biography

Brian Connolly is an Associate Lecturer in sculpture and fine art. Currently a member of the Research Institute of Art & Design, Brian is a multi-media artist whose works often relate to 'place' or context. He employs a wide range of artistic processes, including performance art, public sculpture, installation art, and collaborative projects. He has performed & exhibited in diverse contexts throughout Europe, North America and China. Brian has initiated and curated events and projects both nationally and internationally and has been involved with artist run organizations throughout Ireland including Bbeyond, The Sculptors Society of Ireland, Visual Artists Ireland, Flaxart etc. He has created more than twelve Public Artworks/Commissions in a range of media, and has experience of working as an artist on design teams.
